

MOGnificent – An Overall Guide

Ambrose Langley-Poole: Concours Secretary

Overview

MOGnificent is a simple inter-Centre a competition with prizes for cars which are judged by Members to be the best loved and cared for. The winner of each Centre preliminary is entitled to represent their Centre in the finals at Mogfest.

The highlights of the competition look like this:

- Participating Centres host 'preliminaries' prior to Mogfest;
 - This can be at a routine Noggins or other scheduled event.
 - All Members (of the Centre) are encouraged to enter.
 - Everyone who attends gets to be a judge for the day.
- The best car in each Centre preliminary is then eligible for entry into the national MOGnificent competition at Mogfest.
- Centres may also award a prize to their winner if they want.
- All entrants at Mogfest will get a 'MOGnificent Best of Centre' certificate and a special memento.
- The overall MOGnificent winner gets an engraved prize cup.

Simple scoring sheets are available from the Concours Sec if required otherwise Centres may devise their own.

All Members who attend the Noggins should be invited to participate as judges but we leave it to individual Centres to vary this rule as they see fit. People shouldn't judge their own cars.... Centre Secretaries (or whoever they nominate) act as the Chief Judge for the day. Their word is final !

The winning car will not necessarily be the newest or the most 'perfect' example, but the car that is demonstrably the most loved and cared for by its owner. The scoring system should include an allowance for older cars and for recorded mileage.

MOGnificent not a 'serious' concours d'elegance so the undersides of cars are not judged. Similarly, accessories such as tools, jacks, documentation are also not judged. The same criteria will be used in the final at Mogfest, where judging will be by a public vote of all ticket holders who want to participate.

The Basic Rules

The rules of the competition are as follows and are to be read with tongues in cheeks:
